SAFETY + HEALTH ON THE JOB

In 2020 and 2022, we launched **Your Union Your Voice** efforts to hear about the issues that matter most to you and share some of our union's work to impact government decisions. The feedback helped make sure your priorities were reflected in our union's work. This year, we're doing it again. Join in a town hall meeting to hear about the wins we've achieved and the work ahead. We'll also be asking you for your issue priorities once again.
